C&D Fees Resume

For Howard County residents, Construction and Demolition (C&D) fees will resume at Alpha Ridge Landfill beginning June 1.

Since March 2020, fees have been suspended to reduce transactions at the scalehouse. The suspension eliminated residents' and staff's need to handle cash, checks or credit cards. Now that more is known about COVID-19 and its transmission through surface contact, and the growing vaccination rate of Howard County employees and residents, the suspension is being lifted.

Disposal fees are **\$4 per 100 lbs** for cabinets, shingles, drywall, lumber, fencing, carpet and **\$5 per 100 lbs** for stone, brick, block, soil and other materials generated by construction or demolition.

Beginning June 1, all residents with these materials will be directed to the scales for weights and payments.

For a list of common Construction and Demolition (C&D) materials as well as reuse or recycling options, residents are directed to the landfill's [Construction & Demolition Debris](#) page.

Juneteenth – No Collection Changes

In observance of the Juneteenth National Freedom Holiday, Howard County offices will be **closed** on Friday, June 18th. Alpha Ridge Landfill will be **open**.

There will be **regular** curbside collections of trash, recycling, yard trim & food scraps on Friday, June 18th.
